

Protect what matters most.

Watchguard™ Force Wireless WiFi & 4G Alarm Pack with Accessories

The Watchguard™ Force alarm pack is the perfect security solution. Connect to WiFi and insert a SIM card for dual protection. When connected to WiFi remote view, receive push notifications and control your alarm system via the mobile app. In the event of a power outage the control panels 4G connection will send SMS notifications. The alarm pack is compatible with wide range of accessories to fit the security needs of any home, at any size.

- Versatile security for residences, offices and stores
- Reliable protection: In event of a power outage the control panel will send SMS notifications
- 6 hour backup battery, activated by power outage
- Connect to WiFi to control & monitor the alarm system via the phone app or receive email notifications
- Contact ID for back to base monitoring capabilities
- Connect up to 50 wireless accessories and 10 remotes
