

Solar Mounting Solutions.

Free-standing mounts designed for VIP Vision™ SLR solar systems

Deliver surveillance to any location with the SLR freestanding mount solutions. These solar mount solutions are expertly designed for the SLR series solar street lights and surveillance systems, so that you can quickly and easily install standalone solar powered CCTV and lighting to areas without power or infrastructure.

- Available poles in 4m, 4.5m, 6m and 10m
- No need for a ladder or working at heights
- Steel mount base reinforcement for extra strength
- Extra strong, supports 2 x solar modules

Quick manual installation

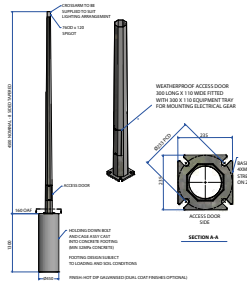

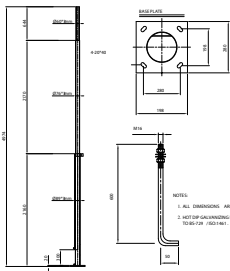

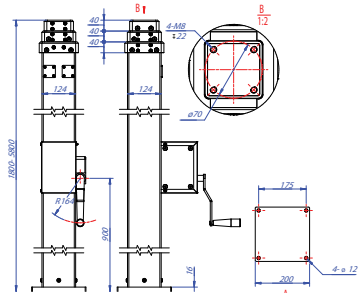

Suitable for remote locations

Carry loads up to 40kg

CCTV/Solar Pole mount
